

## Veliero

*Design: Luca Tonelli & Davide Carlesi*

### *Description*

Table with Ø39”3/8 swivel tray embedded in the top, the rotation is 360° on a vertical axis. Wooden base consisting of three shaped sails.

The wooden sails at the base of the table follow the wind of a dynamic project, created to become the icon of your living room. Crossing the sea of experimentation, the large wooden surface contains the ceramic Lazy Susan tray. One turn of the tray and the dishes travel in your direction. Riding the wave of a new experience. Made in Italy.
