

## Atena

*Design: Pocci & Dondoli*

### *Description*

An aesthetically appealing material match-up characterizes Atena bookcase. Its geometries enhance the apparent simplicity of the design, which invites to customization in the choice not only of finishes, but also of spaces, alternating solids and voids, which endow the bookcase with dynamism and reflections, in extravagant contrast to the rigor of squares and rectangles.

This high-end bookcase is designed for wall mounting only, as no freestanding compositions are available.

Made in Italy.

### *Finishes & Materials*

**Frame:** Lacquered Metal sheet.

**Back:** Lacquered Metal, Mirrored Glass and Glossy SuperMarble.

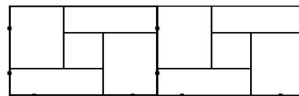

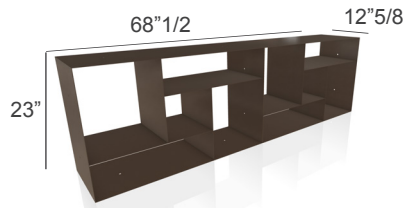

*Please note: Some compositions include a Lacquered Glass top and/or a Lacquered Metal base.*
