*Design: Lorenzo Remedi*

### *Description*

Though characterized by a classic and functional design, the Eden sideboard stands out as a unique blend of technological innovation and material craftsmanship. Its mirrored doors serve as captivating aesthetic highlights. The meticulous manufacturing process, marked by a linear yet sharp silhouette, captivates the viewer across its entire surface, transforming dynamically with variations in light and the observer's perspective, creating mesmerizing iridescent plays of light and shadow.

Available with steel plinth base or legs. Eden is not freestanding and wall fixing is recommended. Additionally, it offers an inside drawer and a transparent extra-clear glass top as optionals.

Made in Italy.
