

## *Infinity*

### *Description*

Infinity is an artistically minimalist suspension lamp that transforms any space with its ethereal light and elegant design. Comprising one to three floating luminous strands, Infinity resembles a work of art suspended in the air, capable of vibrating in the space.

Available in single, double, or triple pendant configurations, the Infinity suspension lamp offers versatility to suit different spatial needs, whether as a singular elegant feature or a dynamic composition of multiple elements.

A dimmer kit is included, and it consists of a touch remote control (1181" range) and a receiver.

Made in Italy.

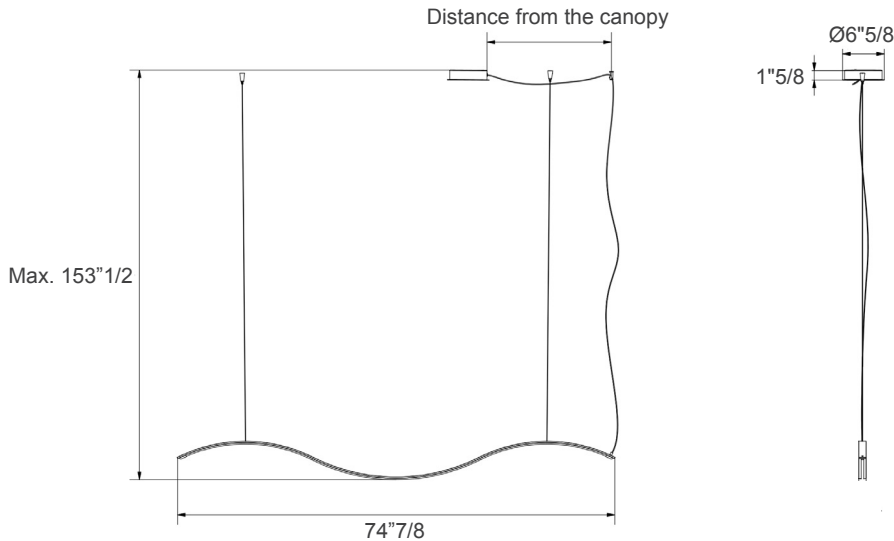

### *Finishes & Materials*

**Structure & Canopy:** Lacquered Metal.
