

Piper

Description

The Piper console exudes a refined graphic essence, defined by its slender components: a solid yet lightweight metal structure and a leather element beneath the top. This leather part, with its arched shape, introduces a functional yet sophisticated touch, softening the console's geometry. The anchoring of the leather compartment, in the form of tapered tubular supports, is visible on each side of the frame, adding a distinctive stylistic detail. Made in Italy.

Dimensions

54"W x 15"3/4D x 29"1/2H - Cod. 07.20
