

Italia Couture

Design: Paolo Cattelan

Description

The Italia dining chair has a clean and refined design. This model is smooth and comfortable thanks to the padded cushion that is lightly resting against the backrest. Rigour and simplicity are expressed through the legs and the seat, the structure is made of steel entirely covered in fabric, soft leather or synthetic leather. Made in Italy

Technical information:

Chair or Armchair featuring a steel frame fully upholstered in fabric, micro nubuck, synthetic leather, or soft leather as per sample card. The cover is fixed and non-removable. Quilted seatback.
