

Planer CrystalArt

Design: Paolo Cattelan

Description

Planer is a modern design table that redefines horizontal and vertical elements, adding dynamic volumes to the dining room. It comes in various finishes with steel bases and tops in glass, Crystalart, ceramic (Keramik, Keramik Premium), or wood (Planer Wood, Planer Masterwood). The collection also includes four round versions with glass, ceramic, or wood-ceramic combinations.

Technical Information:

Table with base in titanium (GFM11), bronze (GFM18), graphite (GFM69) or black (GFM73) embossed lacquered steel, Brushed Bronze or Brushed Grey. Top 1/2" thick in extra clear bevelled glass with artistic decorative printing in two different colours (CY01, CY02).

Made in Italy.
