Design: Stefano Conficconi

Description

The Chandelier bed ensures maximum relaxation, as it offers a comfortable, pleasant support. The hand-carved headboard, characterized by a capitonné upholstery pattern, has a bold look and follows an elegant, curved line. Refined and sophisticated, the headboard defines the space dedicated to comfort thanks to a proportionate and balanced design.

The Queen size offers a single slat or two separate slats, while the king size features two separate slats exclusively. For the two separate slats, a metal support is included in the middle. Additionally, a version with a storage compartment under the mattress is available, providing extra space for storing your belongings. Mattress not included.
