

Rook

Design: Federico Peri

Description

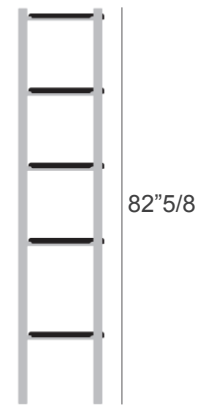

The triangle is the ideal tile for a mosaic, because it can always be perfectly aligned with others and used to build linear structures.

The same is true of the Rook bookcase, which is built up along a horizontal axis, creating a series of supporting surfaces. These can be repeated upwards to form a winding tower, which is very functional but also eye-catching.

Made in Italy.

Dimensions

33"W x 18"1/8D x 82"5/8H

Finishes & Materials

Frame: Metal painted in RAL colors.

Shelves: Multi-laminated painted in RAL colors.
