

Amy

Design: Studio Tecnico Pacini & Cappellini

Description

Versatility and comfort are the characteristics of this chair, which is not just a modern upholstered chair, but a deep study of shapes and uses. Hence the idea of creating two different structures: the first with solid ash wood legs, elegant and solid at the same time, the second in painted metal, essential and slender. The seat and backrest are covered in leather, eco-leather or fabric. Made in Italy.

Dimensions

20"7/8W x 22"1/4D x 31"7/8H

Seat height: 18"7/8
