

## Aurora

*Design: Bellavista & Piccini*

### Description

Sideboard with three or four doors characterized by the alternation between solid wooden doors and grid doors. Aurora stands out for the angular opening of the side doors, a touch of novelty that highlights the attention to detail and experience in woodworking.

Inner structure in matt closed-pore black lacquer. Wooden doors with angled opening (only for side doors). Inner shelves in clear glass. Metal base painted in graphite color and brass details. On request, the top and back of the sideboard can be made in bronze mirror. A modern design sideboard that finds its place in classic and contemporary living rooms, next to the dining table or as a stand-alone. Made in Italy.
