Design: Studio Tecnico Pacini & Cappellini

Description

Lightweight chair with a clean design. When design, practicality and comfort come together, a refined product is born, unique in its simplicity. Thanks to its essential and slender lines, Eva adapts to any environment and use.

The structure with tapered legs seems to hide in the seat cover, finely finished by hand. Structure in solid ash wood, seat and backrest covered in leather, eco-leather or fabric. Studied down to the smallest details, Eva is a solid chair that is also suitable for use in restaurants and hotels. Made in Italy.
