

## Sally

*Design: Studio Tecnico Pacini & Cappellini*

### *Description*

Lounge chair with high backrest and solid ash wood base. One-piece shell in PU foam covered in eco-leather or fabric. The cover is not removable.

Its harmonious and enveloping shapes are enhanced by the hand-sewn cover, which carefully follows the sinuous curves. The solid ash base once again underlines the refinement of shapes at the service of aesthetics and functionality.

Sally furnishes contemporary or modern living rooms, reading corners, as well as bedrooms or common areas of hotels or offices with personality. Made in Italy.
