

Soul

Design: Giuseppe Viganò

Description

Double bed with structure in solid wood, plywood and walnut veneered wood particle panels, padded with polyurethane foam in different densities. Pre-upholstery: polyester wadding. Slats included. Mattress NOT included.

The bed of the Soul collection immediately refers to a feeling of relaxation and well-being. The rounded and accommodating headboard, slightly curved around the mattress, follows the pattern of the seams, giving further softness to the shapes and wooden details that incorporate the bed frame and the headboard. Everything appears as a single and sinuous body. Soul bed is available in different finishes as per collection. Made in Italy.
