

Zeus

Description

Each element of the Zeus bar cabinet is meticulously designed to achieve a perfect balance of aesthetics and functionality.

The wood types are carefully selected and calibrated through a refined palette of colors that not only enhance their natural beauty but also create a harmonious interplay of tones and textures. The result is a sophisticated bar cabinet that embodies timeless elegance, offering both visual allure and a luxurious storage solution for any refined setting.

This high-end bar cabinet includes internal lights and it offers a bottle rack to be placed inside.

Made in Italy.
