

Atelier

Design: Alberto Danese

Description

Atelier is a sophisticated showcase with a frame and feet in black embossed lacquered steel, featuring elegantly designed doors and sides in fumé glass with black-painted glass stripes. The top and bottom are crafted in black-painted frosted glass, while the internal back is luxuriously quilted in soft leather or synthetic leather. Equipped with fumé glass shelves and integrated LED lighting, Atelier is the perfect blend of elegance and functionality, ideal for displaying treasured items in a refined setting. Made in Italy.
