

# Chantal

*Design: Angelo Tomaiuolo*

## Description

Chantal is an elegant showcase crafted from extra clear glass, featuring a top and bottom in Canaletto walnut or burned oak for a refined contrast. Designed for both style and functionality, it includes extra clear glass shelves and integrated LED lighting to highlight displayed items. Each shelf has a maximum capacity of 6 kg, ensuring stability and durability. A sophisticated addition to any contemporary space. Made in Italy.

## Dimensions
