

Saba

Design: Aldo Greco

Description

Saba is a sophisticated swiveling showcase crafted from extra clear glass, offering a seamless blend of luxury and functionality. The frame is elegantly covered in soft leather, available as per the sample card, adding a refined touch. Internally, extra clear glass shelves provide ample display space, each with a maximum capacity of 7 kg. The sturdy base is finished in graphite embossed lacquered steel, ensuring stability. Integrated LED lighting enhances the display, making it a striking addition to any contemporary space. Made in Italy.
