

Spiga

Design: Paolo Cattelan

Description

Spiga is a stylish cupboard available in embossed graphite or titanium lacquered wood, as well as Brushed Bronze or Brushed Grey finishes. Its sturdy feet are crafted from embossed lacquered steel in graphite or black, ensuring stability and modern elegance. The interior features partially mirrored surfaces and fumé glass shelves, enhancing its sophisticated appeal. An optional internal LED light kit is available for added ambiance. A refined storage solution, perfect for contemporary living spaces. Made in Italy.
