

Tour

Design: Giorgio Cattelan

Description

Tour is a console with a base in graphite embossed lacquered steel and a distinctive curved leg in Canaletto walnut. The top is available in clear glass, extra-clear glass, or Canaletto walnut, offering a refined yet contemporary look. With a maximum capacity of 10 kg spread load, wall anchorage is necessary for stability. Natural variations in tone between the wooden leg and top may occur, highlighting the uniqueness of each piece. Made in Italy.

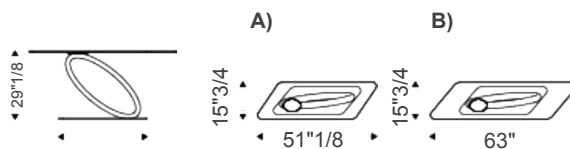

Technical information:

Console with base in graphite embossed lacquered steel (GFM69) and leg in Canaletto walnut (NC). Top in clear glass, extra clear glass or Canaletto walnut (NC). Max capacity 10 kg spread load. Wall anchorage is necessary. Different tonalities between wooden leg and wooden top are possible.
