

Odette Odile

Design: Edward Van Vliet

Description

Stylish and elegant table lamp with a metal structure that offers durability and a modern touch. Characterized by its generous dimensions, this lamp is enhanced by a beautifully ceramic base, adding a refined and artistic element to its design.

Topped with a soft fabric lampshade, it creates a warm and welcoming atmosphere, perfect for any living room, bedroom or office. The combination of materials (metal, ceramic and fabric) creates a balanced fusion of contemporary and classic aesthetics, making it a versatile addition to any decor. Made in Italy.

Light Source (110V):

4x14W - E26 - Dimming: UL Triac
