

Tao

Design: Stefano Bigi

Description

Bookcase with metal structure painted in slate grey color. Back, partitions and shelves veneered in Canaletto walnut. Tao is a wall bookcase with a round structure, with a modern and original design. This refined unit is available with or without doors.

It can be used as a bookcase to decorate the walls of the living room and bedrooms, or as a cupboard that can accommodate books or decorative objects. A piece with an unmistakable design that gives class to the living area. Made in Italy.

Dimensions
