

## Zeus

*Design: Giuliano & Gabriele Cappelletti*

### Description

Zeus is a fixed table that combines past and present: it recalls the ancient worktops of the artisan workshops, reinterpreted and translated into a modern version. A simple and complex object at the same time, discreet but sophisticated, refined but functional.

The legs are a proportionate weave of solid ash or Canaletto walnut planks, which guarantee stability and solidity, making the structure unmistakably unique. Available in 2 different sizes with one base supporting the round top offered in veneered wood (1"1/8 th.), in tempered glass (3/8" th. or 1/2" th.) with electro-welded supports or in polished natural marble (3/4"th.). It adapts well to environments where refinement and elegance are required. Made in Italy.
