

Zeus

Design: Giuliano & Gabriele Cappelletti

Description

Zeus is a fixed table that combines past and present: it recalls the ancient worktops of the artisan workshops, reinterpreted and translated into a modern version. A simple and complex object at the same time, discreet but sophisticated, refined but functional.

The legs are a proportionate weave of solid ash or Canaletto walnut planks, which guarantee stability and solidity, making the structure unmistakably unique. Available in different sizes with two bases supporting the rectangular or barrel top offered in veneered wood (1"1/8 th.), in tempered glass (3/8" th. or 1/2" th.) with electro-welded supports or in polished natural marble (3/4"th.). It adapts well to environments where refinement and elegance are required. Made in Italy.
