

Nettuno

Design: STC studio

Description

Console with base in Oxybrass or Oxygrey lacquered steel. Top in 1/2" extra clear or extra clear textured (MIST) glass, laid on the base. Wall anchorage is necessary.

Its sinuous base has been cleverly designed to change in appearance depending on the position from which it is viewed. Full and empty cylinders swap places with the changing light and shadow when viewing this design console from different angles. This makes Nettuno console both slender and imposing at the same time. The curved metal base is made in one piece, adding to the quality of this glass console whose serpentine silhouette can be appreciated in its entirety. Made in Italy.

Dimensions

Size A:

63"W x 15"3/4D x 36"1/4H

Size B:

70"7/8W x 15"3/4D x 36"1/4H
