

Youpi

Design: Fabrice Berrux

Description

Highly decorative, the Youpi lounge chair, designed by Fabrice Berrux, is part of the Youpi collection.

This lounge chair maintains the distinctive family characteristics such as the circular backrest, the wide and welcoming seat and the truncated cone base, designed to make the frame more enveloping and welcoming.

Available in a wide range of upholstery including fabric, leather and eco-leather, the Youpi Lounge adapts to different design needs with tremendous versatility.

Its swivel base accentuates its functionality, making it ideal for contexts dedicated to socializing, both in domestic environments and also in contract spaces such as lounges, hotels and relaxation areas.

Made in Italy.
