

Il Pezzo 2

Design: Barbara Bertocci and Cosimo Terzani

Description

Nightstand made of solid American walnut; the shape of the structure allows the wood to amaze by showing off its colors and grain. The top is a slab of white Carrara or black Marquinia marble while the base, with adjustable feet and made of brass, is available in different finishes.

It comes with 2 drawers with push-open system. The wood is treated with natural oil that protects it but at the same time allows it breathe. A small brass cylinder containing serial number, seals the authenticity and uniqueness. Made in Italy.
