Design: Monica Armani

Description

The Alberoni round table, from the Venetian beach of the same name, revisits the archetype of round tables with a central support in its volumes and details.

The cylindrical bases are animated by sculpting a subtraction pattern: the taut horizontal line recalls the piers of the famous beach, while the vertical lines punctuate the space like the huts that animate the seafront of the Lido di Venezia. Made in Italy.

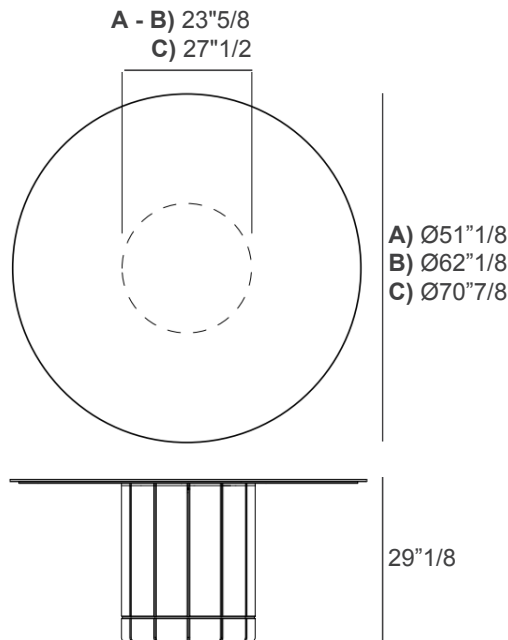

Dimensions

Glass XGlass MDi Marble

A) Ø51"1/8 x 29"1/8H - Cod. TA0904 - TA0907 - TA0910 - TA0913

B) Ø62"1/8 x 29"1/8H - Cod. TA0905 - TA0908 - TA0911 - TA0914

C) Ø70"7/8 x 29"1/8H - Cod. TA0906 - TA0909

Finishes & Materials

Top: Polished/Matt Glass or XGlass, MDi and Marble.

Base: MDF painted with polyester and polyurethane, with Lacquered finish.
