

Bizza

Design: Monica Armani

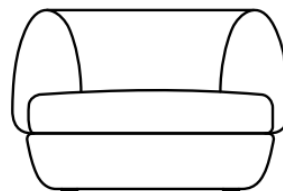

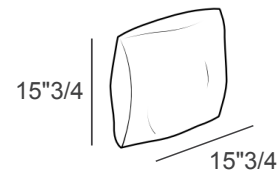

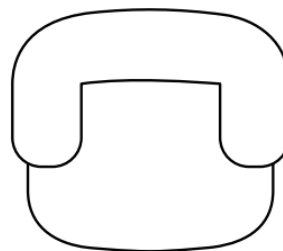

Description

With its curved lines and generous dimensions, the Bizza lounge chair suggests maximum comfort. The protrusion of the backrest from the tapered base and the sinuous shapes of the volumes characterize the product, making it suitable for any context and style. Thanks to its elegant and uncluttered design, this lounge chair completes spaces with personality. A floor-standing base, on which the backrest and seat cushions rest, defines the welcoming volumes. A square knife edge cushion is available as optional.

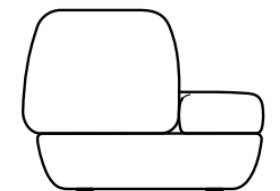

Made in Italy.
