

Londy

Design: Pearson Lloyd

Description

The luxury Londy day bed is inspired by the landscapes of the island of Lundy, located off the coast of Devon, England. Designed in the bustling metropolis of London, Londy embodies the essence of its name and birthplace.

Organic, sinuous island-like shapes create a sense of fluidity and harmony, making Londy a safe haven to retreat to. This Italian designer day bed wraps around you in a warm embrace, creating a sense of protection, awash with a relaxed, open feel.

Its distinctive feature is a generously tall backrest, which gives the day bed a cozy, comforting nest-like feel.

Backrest, decorative and lumbar-support cushions are offered as optionals.

Made in Italy.
