

Londy

Design: Pearson Lloyd

Description

The modular Londy sectional is inspired by the landscapes of the island of Lundy, located off the coast of Devon, England. Designed in the bustling metropolis of London, Londy embodies the essence of its name and birthplace. Organic, sinuous island-like shapes create a sense of fluidity and harmony, making Londy a safe haven to retreat to. This luxury Italian sectional wraps around you in a warm embrace, creating a sense of protection, awash with a relaxed, open feel.

Each seating module represents a distinct island, with different shapes and sizes, emulating the diversity of the natural landscape. This high-end sectional can be configured in many different ways to create versatile solutions that meet the needs of contemporary living.

Its distinctive feature is a generously tall backrest, available in two different sizes, which gives the sectional a cozy, comforting nest-like feel. Some compositions combine modules with different backrest heights, creating dynamic silhouettes and added visual interest.

Backrest cushions are included. Quantities may vary with composition. Optional lumbar-support and decorative cushions are available, with recommended amounts depending on the setup.

Made in Italy.
