

# Nacho

*Design: Archirizolto*

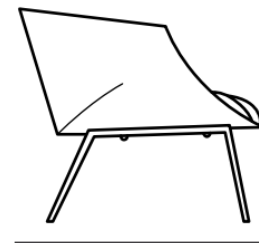

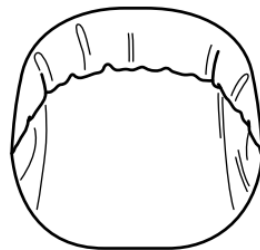

## *Description*

With its sculptural, enveloping form, the Nacho lounge chair reinterprets the concept of relaxation with a sophisticated, assertive style. The outer shell defines its geometric and contemporary appearance, while the inner upholstery is an expression of tailoring that celebrates the art of upholstery. In the two-tone version, materials and textures combine in a harmonious dialogue, giving this lounge chair a unique personality. Made in Italy.
