

Fusion

Design: Marialaura Irvine

Description

This mirror showcases an artistic and organic form, featuring a flowing, asymmetrical silhouette that feels both modern and naturally inspired.

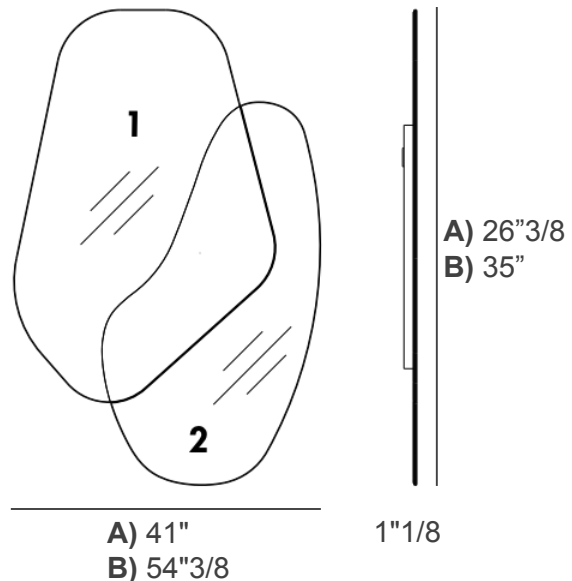

Its layered design creates a dynamic visual effect, with overlapping shapes that add depth and intrigue. This piece serves as both a functional mirror and a striking decorative element.

Made in Italy.

Dimensions

A) 41"W x 26"3/8H x 1"1/8D

B) 54"3/8W x 35"H x 1"1/8D

Finishes & Materials

Surface: Mirror with frosted intersection.

Please note: Gold and rose mirrors could have small imperfections due to the particular technical characteristics of the material. We recommend not to use them in damp areas. Clean only with a dry cloth.
