

Origami

Design: Altherr Désile Park

Description

The Origami mirror stands out with its sculptural design inspired by the geometric folds of origami. Its modular structure creates a dynamic visual effect, allowing for various compositions and hanging positions.

Perfect for adding depth, light, and a contemporary touch to living rooms, entryways, or hallways, it adapts to different spaces and styles.

Made in Italy.

Finishes & Materials

Frame: Lacquered aluminum.

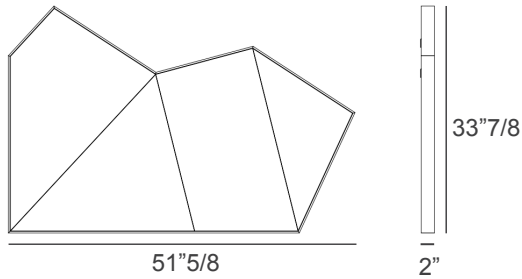

Surface: Mirrored shades with frosted sections.

Please note: Gold and rose mirrors could have small imperfections due to the particular technical characteristics of the material. We recommend not to use them in damp areas. Clean only with a dry cloth.
