Description

A tribute to the pure elegance and timeless power of the breed, this Arabian Horse sculpture is masterfully crafted from luminous Colle Val d'Elsa crystal, synonymous with Italy's finest glassmaking tradition. Capturing the breed's characteristic arched neck, refined profile, and energetic posture, the sculpture embodies the perfect union of strength and grace.

Handcrafted in Tuscany by skilled artisans, every detail reflects a profound reverence for the nobility of the horse and the enduring artistry of Colle Val d'Elsa. More than a decorative piece, it is a symbol of prestige and heritage, an exquisite expression of movement, spirit, and luxury. Made in Italy.
