## *Description*

An elegant celebration of the rhythm and vitality of the sea, this set of two baby dolphin sculptures captures the dynamic beauty of marine life with exceptional artistry. Sculpted in luminous Colle Val d'Elsa crystal, each dolphin soars effortlessly atop the crest of a wave, imbuing its form with movement, grace and joyful energy.

Renowned for its clarity and brilliance, Colle Val d'Elsa crystal enhances every curve and contour, from the slender silhouette of the dolphins to the fluid movement of the waves beneath them. Perfectly balanced in form and composition, this duo symbolizes harmony, freedom, and the eternal dance of nature.
