SET OF 2 BABY SEALS:
Baby Seal White & Gold +
Plumed Baby Seal White

Description

Delicately sculpted from renowned Colle Val d'Elsa crystal, these cute set of two baby seal decorative sculptures capture the innocence and sweetness of marine life with timeless elegance. One seal features a smooth, polished finish, while the other sports subtle plumage.

Together, they rest in serene companionship, their rounded forms and expressive details brought to life by masterful Italian craftsmanship. More than a decorative sculpture, this refined set is a celebration of protective presence, playful innocence and artisanal heritage. Whether displayed as a symbol of affection or admired for its sculptural grace, this piece embodies the serene poetry of nature handcrafted in crystal. Made in Italy.
