### *Description*

Sleek, poised, and irresistibly clever, this set of two Cats and one Mouse sculpture, captures a timeless moment of intrigue and tension, handcrafted in the dazzling clarity of Colle Val d'Elsa crystal.

The feline, elegant and alert, curves in quiet anticipation, while the mouse, frozen mid-motion, exudes both innocence and cunning. Together, they form a captivating dialogue between predator and prey, stillness and movement, instinct and curiosity. Playful yet refined, this piece is a celebration of contrast and connection, an artful addition to a modern space or discerning private collection. Made in Italy.
