

Condor

Design: Duccio Di Segna

Description

A symbol of strength, freedom, and majesty, the condor takes flight in this extraordinary decorative sculpture crafted from fine Colle di Val d'Elsa crystal. Expertly shaped by skilled artisans, the powerful form of the bird is rendered in pure, luminous crystal its wings outstretched in a poised moment of ascent.

Elegant and commanding, this piece captures the spirit of the condor in a timeless celebration of nature and artistry. Available in two different models (as shown in pictures). Made in Italy.

Dimensions

Open wings: 15"3/4 | Closed wings: 18"1/2
