

## Crocodile

*Design: Duccio Di Segna*

### *Description*

Bold and captivating, this crocodile sculpture is meticulously crafted from the luxurious crystal of Colle Val d'Elsa, a beacon of Italian excellence in fine glassmaking. With a powerful stance and sinuous form, the crocodile is handcrafted in striking detail, its textured body and poised stillness capturing the primal elegance of this ancient creature.

A symbol of resilience, patience, and untamed beauty, this piece is both a dramatic statement and a refined work of art. Designed for those who appreciate rare craftsmanship and the raw grace of the natural world, where luxury meets the wild.

Made in Italy.
