Description

Graceful and luminous, this captivating sculpture features a dolphin playfully perched atop a crystal ball, an exquisite expression of movement, balance and joy. Handcrafted from renowned Colle Val d'Elsa crystal, the piece sparkles with exceptional clarity and brilliance.

The dolphin's graceful, fluid form is sculpted with delicate precision, capturing the natural elegance and vitality of this beloved sea creature. Beneath, the perfectly polished crystal sphere lends a sense of buoyancy and harmony, enhancing the composition both literally and artistically. A symbol of intelligence, freedom, and a playful spirit, this sculpture brings a touch of refined marine inspiration to any setting. Made in Italy.
