

Dolphin

Design: Duccio di Segna

Description

Celebrate the fluid grace and playful spirit of the ocean with this exquisite decorative sculpture, handcrafted from the renowned Colle Val d'Elsa crystal. Choose from three artfully designed compositions:

- . Single Jumping Dolphin: A poised leap frozen in crystal, embodying agility and freedom.
- . Two Jumping Dolphins: A harmonious duet symbolizing joy, balance and companionship.
- . One Jumping & One Swimming Dolphin: A beautifully composed scene blending movement and serenity, reflecting the natural rhythm of life beneath and above the waves.

Whether displayed as a centerpiece or cherished as part of a collection, these dolphins offer a timeless expression of elegance inspired by the sea. Made in Italy.
