

Dragon

Design: Duccio Di Segna

Description

A symbol of power, protection and timeless allure, this extraordinary Dragon sculpture is exquisitely handcrafted from the finest Colle Val d'Elsa crystal, renowned for its unparalleled clarity and brilliance.

The purity of the crystal lends an ethereal glow, while the detailed craftsmanship captures the mythical creature's fierce elegance. A true objet d'art, this piece transcends decor, standing as a bold testament to luxury, legend and the enduring excellence of Tuscan crystal artistry.

Available in two models, with the head facing forward or with the head turned backward. Made in Italy.
