

Eagle

Design: Duccio Di Segna

Dimensions

17"3/4H

Description

Sculpted from the luxury crystal of Colle Val d'Elsa, this majestic eagle embodies power, vision, and freedom with unparalleled elegance. Captured in a poised moment of flight or vigil, its commanding form is handcrafted with extraordinary precision.

Renowned for its purity and luminosity, the crystal reveals the strength and grace of the eagle in a composition that is both timeless and striking. A true statement piece, this sculpture reflects the legacy of Italian craftsmanship and the enduring symbolism of one of nature's most noble creatures.

Made in Italy.
