

## Fish Amore

*Design: Duccio di Segna*

### *Description*

Delicately expressive and artistically balanced, this refined collection of Fish Amore decorative sculptures captures a moment of subtle connection. Crafted from prestigious Colle Val d'Elsa crystal, each fish is sculpted with exceptional clarity and precision, allowing light to illuminate the delicate contours and fluid elegance of their forms.

The two fish, placed in an intimate mirrored composition, evoke a serene sense of harmony and affection, a poetic tribute to companionship in its purest form. A symbol of unity, tranquility and timeless beauty, this collection is a distinguished example of Italian craftsmanship, ideal for collectors and lovers of decorative art. Made in Italy.
