

Fish Angel Family

Design: Duccio di Segna

Description

A serene celebration of unity and grace, this Fish Angel Family triptych captures the quiet poetry of togetherness beneath the sea. Composed of three harmoniously sculpted figures, one larger fish and two smaller, this radiant family grouping is masterfully crafted from the finest Colle Val d'Elsa crystal, renowned for its exceptional clarity and light-reflecting brilliance.

Each figure glides with a delicate, angelic presence, their finely arched fins resembling wings in mid-motion. The subtle interplay of size and form creates a natural rhythm, evoking the gentle bond between parent and child. Whether displayed as a centerpiece or a cherished keepsake, it brings a luminous sense of harmony and sophistication to any setting. Made in Italy.
