

## Flamingo

*Design: Duccio Di Segna*

### *Description*

This decorative Flamingo sculpture is meticulously crafted from the renowned crystal of Colle Val d'Elsa, Italy's "City of Crystal". Handcrafted with delicate precision, the flamingo's graceful curves and elongated neck are captured in radiant crystal, showcasing both fluid elegance and timeless charm. Available in two models, with the head facing up and with the head facing down.

Ideal for collectors and connoisseurs of fine Italian glasswork, this sculpture embodies both natural beauty and refined sophistication. Made in Italy.

### *Dimensions*

**Head down: 17"H - Head up: 19"5/8"H**
