

# Flying Ducks

*Design: Duccio Di Segna*

## *Dimensions*

27"1/2W x 27"1/2H

## *Description*

An ode to motion and grace, this captivating sculpture of flying ducks is masterfully crafted from luminous Colle Val d'Elsa crystal, celebrated for its purity and brilliance. Each bird, frozen in mid-flight, is sculpted with exquisite detail, wings outstretched, forms streamlined, evoking the poetry of nature in motion.

Hand-finished in Tuscany, this radiant piece reflects centuries of Italian crystal artistry. A symbol of freedom and harmony, it brings serene sophistication to any interior. Made in Italy.
