

## FOX

*Design: Duccio di Segna*

### *Dimensions*

8"5/8H

### *Description*

Elegant, intelligent and quietly captivating, this sophisticated Fox sculpture is a refined expression of grace and cunning, exquisitely crafted from luminous Colle Val d'Elsa crystal. With a silhouette defined by clean lines and serene elegance, the fox is depicted in a moment of stillness, alert, serene and undeniably present.

Subtle yet expressive, this sculpture transforms the iconic fox into an object of minimalist sophistication. Whether admired as a symbol of wisdom and adaptability or appreciated purely for its aesthetic beauty, it brings serene strength and luminous refinement to any space. Made in Italy.
