

Frog Prince

Design: Duccio Di Segna

SET OF 2 - A

SET OF 2 - B

Description

Gracefully sculpted from renowned Colle Val d'Elsa crystal, these refined Frog Prince sculptures capture a delicate balance between stillness and vitality. Created with subtle individuality, each frog comes to life thanks to its flowing lines, fine details and the luminous clarity of Tuscan crystal.

Handcrafted by master artisans, these two set options offer charm and sophistication, making them an exquisite addition to any interior or private collection. Made in Italy.
